Hopper Kadé

We're for the culture hoppers
— people who define themselves
through what they love, not where
they're from.

Sri Lankan born, but Australian
made, we hero healthy ingredients
and authentic flavour profiles to
create an exciting new twist on
Colombo's famous street food.

Because wherever you're from,
only you can decide the taste
of home.

Most of our dishes
are vegan friendly. They're
also mostly free of gluten,
dairy and refined sugar.
If in doubt, just ask!
